**Multi-Purpose Construction Laser**

- Long range operation (800 m)
- Horizontal, multi-slope and vertical applications
- Up to 120 hours battery life
- Tough IP66 construction rating
- Included remote control

**Kit Components**

- RL-SV2S Laser
- RC-60 Remote Control
- LS-80L Sensor
- Sensor Holder
- Batteries
- Charger
- Carry Case

**Multi-use applications**

Designed for a variety of tasks, it can be used for horizontal, sloping and vertical laser applications. Slopes up to ±5% can be used in either the X or Y axis. Turn it on its side and use it for layout and alignment jobs.

**High powered**

With an operating range of over 800 m (diameter) the RL-SV2S has the power to cover even the biggest projects.

**Long battery life**

Contractors who want a laser with a long battery life will love the RL-SV2S. With an operating time of 120 hours on alkaline batteries or 65 hours with the rechargeable Ni-MH battery pack, this laser will still be working long after others have quit.

**All weather dependability**

With the IP66 rating, the RL-SV2S is “jobsite tough” and can withstand dust, a sudden shower and even torrential rainfall.
